## Triskeles Golf Outing at Historic Radley Run Country Club

*Join us for a day of fun, friends, golf and raising money for a good cause.*

Triskeles ([www.triskelesprograms.org](http://www.triskelesprograms.org)) is a non-profit organization that prepares diverse groups of youth for success by teaching them the skills needed to live a healthy life, the value of work, job readiness, leadership, and team work. The organization provides programs for whole communities to address pervasive issues of poverty such as hunger and food security. Through the lens of sustainability, young people learn to make choices leading to health and well-being for themselves, their communities, and the planet.

The Radley Run golf course, opened in 1965, has been described as 'The Hidden Jewel' by members, guests and golfers. The course was designed by the world renowned architect, Alfred H. Tull. The rolling terrain, two ponds and a meandering stream provide for an exciting and challenging round of golf.
